

Community Owned, Not for Profit

Warilla Preschool & Occasional Child Care Centre is a community owned, not for profit preschool and occasional care centre. The Centre is managed by Illawarra Area Child Care (IACC) for and on behalf of the Illawarra Women's Health Centre Inc (who at all times remain the licensee and leasee). IACC manages nine (9) child care centres throughout the Illawarra and Shoalhaven regions.

There are 28 child care places at Warilla Preschool & Occasional Child Care Centre for children between 0 to 5 years of age. Children can attend on a full time, part time or casual basis.

Choose the type of care that meets your needs

Permanent positions - your child can attend from 1 to 5 days per week on a permanent basis.

Occasional Short Term - your child can attend the Centre for 1, 2 or more hours while you attend an appointment, do the shopping or simply relax and take a break. This service is provided on a casual basis to suit your needs.

Regular Short Term - this service is for part time workers or parents who study, attend classes or sport on a regular basis.

Emergency Care - this service is available to any parent who needs to attend an emergency situation at short notice and the child requires care.

Centre Philosophy

To provide a happy, secure and safe environment for children and families.

To acknowledge the uniqueness and potential of each child and enhance each child's strengths, competence and self esteem.

To promote teamwork and open communication with families.

Educational Program

Experienced tertiary trained staff are committed to providing individual and group experiences which meet the developmental needs and interests of each child. IACC Centres embrace the emergent curriculum philosophy which gears programs toward each child's individual needs and interests. Portfolios are also created to document the child's progress and include the family in the educational process. Portfolios are available for parents to view at any time.

IACC Centres also offer a comprehensive transition to schools program.

Parent Involvement

Parents from IACC child care services make up the Board of Management. Parents have the opportunity to be involved in the management of the organisation and the daily operation of the service. IACC management and Centre Directors welcome input and feedback from parents.

Facilities & Services

- ? Modern, well equipped indoor & outdoor areas
